Congratulations on your Centennial Anniversary

Dear Partners, Team, and Friends of Adams + Miles LLP,

It is with great pleasure and sincere admiration that I extend my warmest congratulations to Adams + Miles LLP on the remarkable occasion of your 100th anniversary. One hundred years of service to the businesses, families, and organizations of the Greater Toronto Area is a truly extraordinary achievement — one that reflects not only professional excellence, but an enduring commitment to the community we all share.

Since your founding in 1926, Adams + Miles has grown from the union of two small accounting practices into a respected institution offering audit, tax, advisory, and accounting services to a diverse and loyal clientele. That so many clients have worked with your firm across generations speaks volumes about the trust you have earned and the relationships you have so carefully cultivated over the decades.

Toronto is a city built on the hard work and dedication of its people and businesses. Firms like Adams + Miles are part of the fabric of this great city — quietly and reliably supporting the entrepreneurs, charities, and community organizations that make our neighbourhoods vibrant and our economy strong. Your presence here, spanning an entire century, is a testament to the values of integrity, trusted advice, and personalized service that have defined your firm from the very beginning.

On behalf of the residents of Toronto, I am proud to recognize this centennial milestone and to celebrate the employees, clients, and partners who have contributed to the success and legacy of Adams + Miles LLP. You are an inspiring example of what it means to build something that lasts.

I wish the entire Adams + Miles family every continued success as you look ahead to the next century of service. Congratulations on this wonderful milestone — Toronto is fortunate to have you.

Sincerely,

Councillor Shelley Carroll
